

24/7 Wellness Center Access

Work out when you want

- We know you are constantly on the go. That is why Unity Health and Fitness is pleased to offer our adult members ages 18 and over convenient 24 hours per day, 7 days per week, year-round access.
- You must be **age 16+** to apply for 24/7 access.
- Members under 16 years of age can use Unity Health and Fitness during 24-7 operations with direct supervision by parents or adult guardians.
- You must be a member of Unity Health and Fitness, access not available for guests.
- An annual **activation fee of \$20.00** is required.
- We highly recommend that you exercise with another 24/7 member when using our facility outside of staffed hours.
- A telephone and AED are available behind the front desk in the lobby. In case of an emergency, please dial 911.
- Use caution in inclement weather as snow and ice removal will not be enforced until staffed hours, possibly later.
- Your Gallagher App on your cell phone will be your after-hours key to Unity Health and Fitness.
- When entering and exiting, please make sure the door closes behind you.
- Do not hold the door for anyone. Everyone must use their own app for access so we can track who is in the building at all times. Apps may not be shared with anyone. Doing so is a violation of our policy and will result in you **permanently losing** 24-hour access and possible termination of your membership.
- Due to high risk, all amenities within the natatorium will **NOT** be available after staffed hours. This includes the lap pool, kiddy pool, hot tub and sauna.

The 24/7 Access doors and all areas within Unity Health and have cameras recording activity at all times.
